ACFS Port Botany Depots to open 7 days – Updated Notice & Announcement

To Industry

Following on from a previous industry announcement on the 17th October 2019 re extended hours, ACFS has further positive news for industry. All Port Botany Depots (ACFS e-Depot and ACFS e-Depot Link) will operate 24hrs Mon – Fri, in addition to now opening every Saturday and Sunday as normal course of business.

ACFS facilities will provide access to empty depots for import de hires and export pick-ups, 7 days per week. This unrivalled access to Empty Depots is a national first, with a key focus on providing industry access and efficiency.

ACFS e-Depots will continue to provide flexibility without penalties to transport operators, whilst maintaining a high volume of slot availability, and insuring timely processing of fleet within our facilities as we appropriately staff and equip our facilities for timely processing of vehicles.

The new operating hours have commenced from the 7th October 2019.

We encourage industry to make the most of the operating hours on weeknights, in addition to the new weekend shifts. Solid support will insure their ongoing viability.
