

AUSTRALIAN INTERNATIONAL CARGO TERMINAL FEES REVISION – EFFECTIVE 01 APRIL 2020

6 March 2020

Please find attached Menzie's Aviation's revised schedule of charges to take effect from 01 April 2020 for our Australian International Cargo Terminals.

Key revisions for the 2020 published tariffs:

- **Consolidated Primary EACE screening fee.** Given the lack of requests for perishable export screening, the individual Electromagnetic Detection examination fee has been removed.
- **Consolidated storage charge.** A single common rate storage fee is now applicable regardless of cargo type. Free storage periods have not been altered with 48hrs free export loose cargo storage continuing to be offered.
- **Terminal Service fees.** General Terminal Service Fees have been revised.
