WiseTech Global acquisition of leading logistics solutions provider in Switzerland, SISA Studio Informatica SA

Global logistics solutions group, WiseTech Global, today announced the acquisition of SISA Studio Informatica SA (SISA), a leading customs and freight forwarding solutions provider in Switzerland.

Headquartered in Lugano, SISA is a Swiss market leader in providing customs and logistics solutions including customs clearance, freight forwarding and bonded warehouse management. SISA's customers include DHL Logistics (Schweiz) AG, Fiege Logistik (Schweiz) AG, FedEx, Post CH AG, Agility Logistics AG, F. Hoffmann-La Roche AG, and many other exporters, freight forwarders, and logistics service providers.

WiseTech Global Founder and CEO, Richard White, said "For over 40 years, SISA has accumulated a powerful breadth and depth of expertise across the customs and logistics landscape in Switzerland that will enhance our global customs and localisation capability and further strengthen our solutions for logistics providers throughout Europe. We are pleased to welcome the talented SISA team and operations into our WiseTech family, taking a further important step in building out our global customs footprint."

"With Switzerland the ninth largest economy by GDP in Europe, the third largest trading partner with the EU for exports of goods and the fourth largest trading partner with the EU for imports of goods¹, bringing SISA into the WiseTech group now, consolidates our considerable geographic foothold in customs clearance and border compliance. Combined with our relentless investment in innovation and expansion of our CargoWise One platform, together we will continue to provide solutions to our customers that will enable greater control over international compliance and achieve lower-risk cross-border execution in the changing European and global trade landscape."

Roland Schumacher, Managing Director of SISA, said "We are delighted to join the WiseTech Global group as this will enable us to bring even more innovation to SISA's leading Swiss customs clearance solution. The leading position of WiseTech's solutions in global customs clearance will bring vast advantages for international-oriented Swiss freight forwarders and shippers. We stay committed to our long-standing customers and to helping them remain successful in the highly competitive logistics market."

Remaining under the leadership of Managing Director, Roland Schumacher, SISA's operations will be integrated within the WiseTech Global group and SISA will continue to deliver their logistics solutions directly to their customers, along with CargoWise One over time.

CargoWise One global platform enables logistics service providers to execute highly complex transactions in areas such as freight forwarding, customs clearance, warehousing, shipping, tracking,
