

WYMAP R.F.S TAKES OFF

Wymap Group is excited to announce the establishment of Wymap RFS offering network road feeder services as a formal extension of the interstate services currently offered to market.

From 01 November Wymap RFS will double capacity on our current Sydney/Melbourne v.v. services along with our entry into Adelaide with 3 services per week and the continuation of our weekly Brisbane service.

- ✓ Safety
- ✓ Service
- ✓ Transparency
- ✓ Reliability
- ✓ Trust

Our MapTrak system provides complete transparency of all milestones at an Airway bill level including origin, enroute and destination real time status. Improving customer visibility and customer service proactivity.
