Figure 1: Chart of AEPCOMM lodgements for BMSB compared with total in scope lodgements

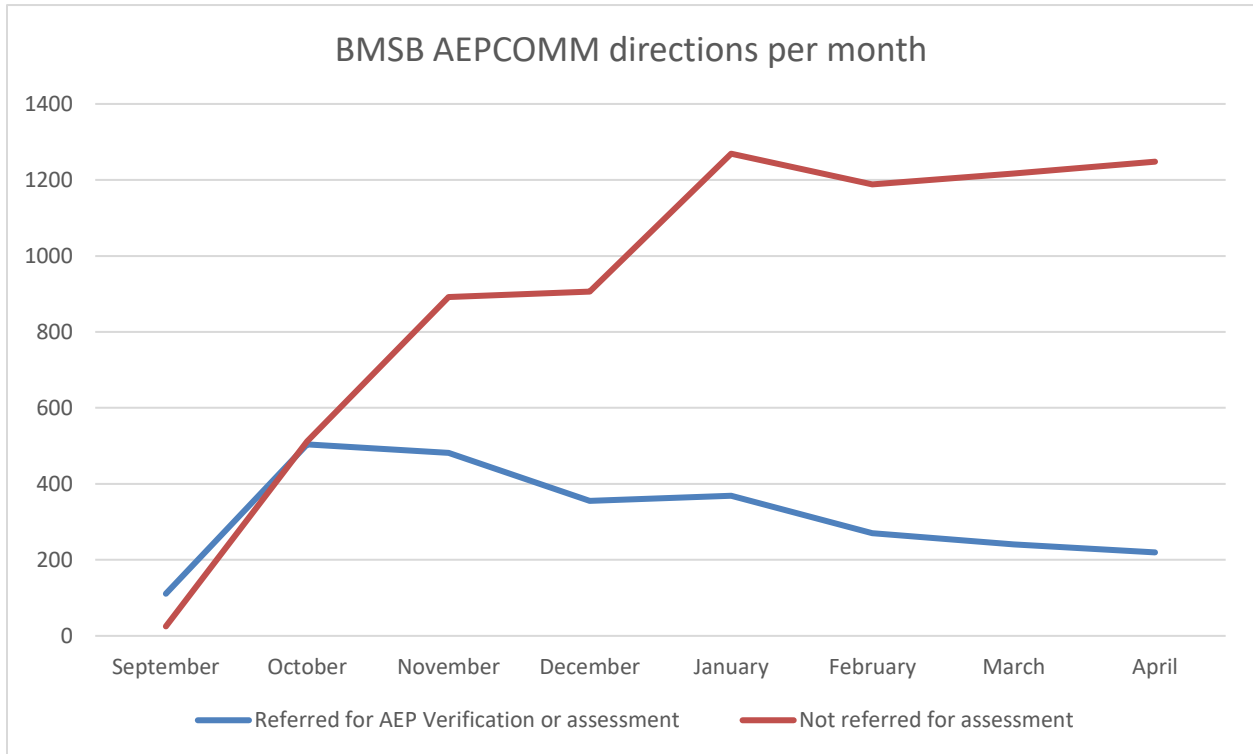

This chart demonstrates AEPCOMM uptake for entries lodged with goods subject to BMSB measures and the potential for greater usage.

Total AEPCOMM BMSB entries per Month, September 2018 – April 2019

Table 1: Month by month breakdown of AEPCOMM lodged entries for goods subject to BMSB that were referred for verification or assessment

Months	BMSB AEPCOMM directions per month		
	Referred for AEP Verification or assessment	Not referred for assessment	Grand Total
September	111	25	136
October	504	512	1016
November	482	892	1374
December	355	906	1261
January	369	1269	1638
February	270	1188	1458
March	241	1217	1458
April	220	1248	1468
Grand Total	2552	7257	9809

Figure 2: Month by month breakdown of AEPCOMM lodged entries for goods subject to BMSB that were referred for assessment.

This chart demonstrates the increase in AEPCOMM lodgements that have been successfully **processed** without referral for verification or other assessment by the department as the season has progressed. The reduction in referrals to the department is due to the 99% compliance which has been demonstrated since implementation.
