

# LAUNCH HORSHAM VICTORIA: ON RAIL TO THE NATION & PORT

WIMMERA CONTAINER LINE  
**WCL**

Since 2013, WCL (part of SCT Group) has been running services to the Port of Melbourne, supporting exporters in the Wimmera region.

Please join us for an industry event to launch the rail connectivity for imports/exports to and from the Port of Melbourne, plus the introduction of an interstate rail line haul network connecting the Horsham region to SCT Group rails heads in QLD, VIC, SA and WA.

In addition, our PoM and ARTC presenters will update the benefits to our guests on the recent Port of Melbourne rail access strategy and interstate inland rail developments.

## DATE & TIME
