

PRESS RELEASE

Direct Couriers Acquires Phoenix Transport, expanding National Delivery network

[SYDNEY, NSW] — Monday, 24 August — Direct Couriers, a leading provider of courier and freight delivery services, today announced it has acquired Phoenix Transport, effective Friday the 21st of August. The acquisition strengthens Direct Couriers' operational capacity and extends its service footprint, bringing an experienced team and established customer base into the Direct Couriers family.

Under the terms of the acquisition, all Phoenix Transport staff and drivers will transfer across to Direct Couriers, ensuring continuity of service and retaining the local knowledge and expertise customers have come to rely on.

"We're thrilled to welcome Phoenix Transport's customers, staff, and drivers into the Direct Couriers family," said Garry Yovich, CEO of Direct Couriers. "This acquisition allows us to expand our capacity and reach while retaining the people and relationships that have made Phoenix Transport a trusted name in the industry. We're committed to a smooth transition for everyone involved, and we're excited about what this next chapter means for our customers and our team."

About Direct Couriers

Direct Couriers is a leading provider of same-day courier and taxi truck transport solutions, Linehaul, refrigerated, and sensitive freight services. With a growing network and a strong focus on reliability and customer service, Direct Couriers supports businesses across a wide range of industries with their delivery needs.
