

Bridging Course – persons with existing accreditation to 31 March 2016

During 2015, the Department of Agriculture and water Resources released preliminary details in relation to the accreditation and ongoing competency of entities registered for the Automatic Entry Processing for Commodities (AEP COMM) and the Non-commodity for Containerised Cargo Clearance (NCCC) schemes.

From 1 April 2016, approved and accredited persons will be required to complete Continued Biosecurity Competency (CBC) training to continue participation in the scheme.

Between September 2015 and 31 March 2016, accredited persons who received their accreditation prior to 30 June 2014 will be required to complete an approved Bridging Course.

Freight & Trade Alliance (FTA) made available its NCCC and AEP COMM Bridging Courses available via www.ComplianceNetFTA.com.au on 15 December 2015.
