

2025 Tasmanian Freight & Logistics Forum Launceston – Wednesday 14 May 2025

Over three years, pre the COVID event, Freight & Trade Alliance (FTA) and the Australian Peak Shippers Association (APSA) have co-hosted the popular Tasmanian Freight & Logistics Forum.

The events have been an outstanding success and exceeded all expectations with each hosting 150 leaders from the sector including the Ministers and various senior executives from shipping lines, major exporters and industry associations. The event was supported by media coverage including ABC news, Landline, Daily Cargo News and several industry news outlets.

The world of trade, shipping and logistics has had monumental changes since the last forum in 2019 and the years ahead are sure to provide new challenges. FTA and The Ship – Consulting have partnered to relaunch the Tasmanian Freight and Logistics Forum in Launceston on Wednesday 14 May 2025 at the Australian Maritime College (venue still to be confirmed).
